Attleboro YMCA Child Care Center

WE BUILD STRONG KIDS, STRONG FAMILIES,
STRONG COMMUNITIES

The Attleboro YMCA's Preschool and Child Care Center provide your child with challenging and stimulating learning experiences. Certified teachers will lead your child through a variety of activities such as music, age appropriate projects, educational basics, gym time, occasional field trips, and outdoor recreation. Every child will have the opportunity to grow at his or her own pace while having fun and making new friends.

We Offer Much More

The Attleboro YMCA Preschool and Child Care Program offers more services than you might expect. As your child grows, we offer specialized programs that include:

- Rotating schedule of activities which may include aerobics, karate, or swim lessons on select days.
- Use of the Gyms to play age appropriate games.
- Age appropriate projects.
- Health, exercise, nutrition and cooking
- Occasional field trips.
- Use of the outdoor playground area.
- A variety of changing activity centers within the classroom.

Program Philosophy

The Attleboro YMCA Preschool and Child Care Program provides care for children in a safe setting with opportunities for mental, physical, social and emotional development. Special emphasis is placed on increasing a child's self-esteem and self-confidence. This is accomplished by offering a wide range of developmentally appropriate activities.

Core Character Values

The Attleboro YMCA is committed to helping children learn values that will enable them to build strong moral characters and develop strong spirits, minds and bodies. The core character values of Honesty, Caring, Respect and Responsibility will be reinforced and instilled throughout your child's experience within our program. These programs will be integrated into our curriculum through games, songs, and social activities.

NAEYC Accreditation

Our program is accredited by the National Association for the Education of Young Children. NAEYC administers the largest and most widely recognized accreditation system for all types of early childhood schools and child care centers. NAEYC is the nation's largest organization of early childhood educators.

All programs accredited by NAEYC must meet certain criteria that ensures a high-quality early childhood program which provides a safe and nurturing environment while promoting the physical, social, emotional and intellectual development of young children.
