

Attleboro YMCA Volunteer Initial Interest Form

YMCA...
We build strong kids,
strong families, strong communities

Revised- December, 2009

-Recruitment – Placement – Orientation – Performance – Supervision – Evaluation – Recognition -

“Program” Volunteers / “Service and Support” Volunteers

Thank you for considering a volunteer position at the Attleboro YMCA! The YMCA is a volunteer organization that depends on the time, efforts, and resources that volunteers provide in many areas, enabling the Association to offer value based programs and services to fulfill its mission of serving the membership and the community. Available volunteer positions at the YMCA vary from time to time. Please complete this “Volunteer Initial Interest Form” in full, and we will work together to explore the possibility of a volunteer position at the YMCA that matches the needs of the Association and the interest, skills, background, and experience you possess. The information you provide us will be sent to each YMCA Staff Director throughout the Association, who will review the information and contact you if a volunteer position is open in their area at this time. Hopefully, we will be in touch with you shortly!
