ATTLEBORO Y DAY CAMPS:

AS PART OF OUR CAUSE FOR YOUTH DEVELOPMENT, OUR CAMPS INSPIRE KIDS TO WORK TOGETHER AND PLAY TOGETHER, TO CREATE LIFELONG FRIENDSHIPS, AND TO DISCOVER WHAT THEY CAN ACHIEVE WHEN THEY BELIEVE IN THEMSELVES.
Dear Families,

We’re looking forward to another exciting summer of fun, learning, and memories with you and your children!

Rooted in the Y’s core values of caring, honesty, respect, and responsibility, the Attleboro YMCA Day Camps have been providing kids with engaging and enriching summer experiences since 1926. Although our camp programs have evolved over the years, our mission remains the same: To help kids develop self-confidence and leadership skills in a safe, accepting, stimulating, and fun environment.

The Attleboro YMCA offers a number of different camp experiences to meet your child’s unique interests and abilities. However, whichever camp you choose, you can count on:

• Well-trained staff who serve as positive role models
• Activities and games that develop self-esteem and leadership skills
• Exposure to new age-appropriate, challenging, and fun experiences
• An atmosphere that fosters fairness, teamwork, and cooperation
• Fun-filled days that promote physical activity, creativity, and learning.

We can’t wait to welcome you to camp for the summer of 2019!

Surrounded by 80 acres of fields and woodlands, Finberg campers enjoy their summers exploring, playing, creating, swimming, and making lifelong memories in the great outdoors. Led by a staff team of caring and active role models, the campers participate in a wide range of activities, including archery, swimming, arts and crafts, nature, team-building, ropes course challenges, sports, hiking, and so much more.
Bitty Camp
Ages 4-6
Designed for our youngest campers, Bitty Camp introduces kids to camp at age-appropriate levels, while enabling them to participate in all the wonders of camp! Led by early education professionals at a smaller staff-to-camper ratio, Bitty Camp focuses on building social and emotional skills in a fun and nurturing environment. Campers participate in swim lessons, sing camp songs, learn about nature, create memorable crafts, play active games, hike, and make new friends.

Traditional Camp
Ages 7-14
Our traditional camp program engages campers in a wide variety of fun activities that encourage them to be physically active and work as a team, challenge them to develop new skills and talents, and inspire them to learn new things every day with lifelong friends. Campers scale new heights through Ropes Course Challenges, strengthen their swimming through lessons and rec swim, aim for a bull’s-eye, create crafting masterpieces, and work together to build strong camp connections and friends. Theme weeks and all-camp special events keep each week exciting and new all summer long.

Integrated Camp Program
for campers with special needs
Camp Finberg offers our Integrated Camp Program to invite more of our community’s youth to participate in a traditional day camp experience. Our Integration Specialist works directly with families who are interested in exploring the possibility of Camp Finberg for their children with special needs. If the specialist and family agree that the program is a good fit for the child, the Integration Specialist provides ongoing hands-on training to the staff, establishes the necessary accommodations and supports for the child to be successful in the camp environment. There is no additional cost beyond the camp fee for a child to participate in the Integrated Camp Program.

If you have a child you believe might benefit from the Integrated Camp Program, please contact Integration Specialist Elisabeth Beane at ebeane@attleboroymca.org to schedule a meeting.

For future leaders entering grades 9-11, turn to page 16 for information about our Leadership Development Program.

The Attleboro Y’s Summer Leadership Program places teens in supportive group settings where they can practice leading peers and develop essential leadership tools. Progressing through this three-year program, our Leadership Campers participate in seminars, workshops, games, and tasks that develop and exercise skills in teamwork and communication. Meanwhile, they still have opportunities to participate in traditional summer camp fun!
Leaders in Training  
Ages 14 / Entering Grade 9  
For campers entering Grade 9. A wonderful first step for the older camper seeking a more in-depth and meaningful camp experience, the Leaders in Training program helps our campers discover what it takes to be a leader, develop leadership qualities, and develop meaningful relationships with peers while still enjoying a camp experience.

Counselors in Training – 1  
Ages 15 / Entering Grade 10  
For campers entering Grade 10. During the first year of our Counselor in Training program, individuals will apply learned leadership skills and begin to facilitate activities with groups of campers under staff supervision. The CITs will work on their planning, leadership, public speaking, communication, and collaborative skills by working together on a series of projects and special events.

Counselors in Training – 2  
Ages 16 / Entering Grade 11  
For campers entering Grade 11. The second year of the Counselor in Training program focuses specifically on career development qualities for what it takes to be a full-time, seasonal, camp staff employee. Through workshops and mentoring with seasoned camp staff, the CITs will gain the experience they need to be successful camp staff and community leaders. Trainings will include an overview of First Aid/CPR, child protection, and group management of campers.

Offered in two 4-week sessions, the Summer Leadership Development Program is a great opportunity for young people to grow in confidence, build lifelong friendships, and develop their leadership potential in settings that extend far beyond the camp realm.

All camp scholarships are funded through the Y’s Annual Campaign, thanks to the generosity of our donors and supporters.

In order to provide the summer camp experience to as many children as possible, each child is limited to a scholarship of two weeks of camp. (Please note that all of our camps accept Child Care Vouchers.)
