SERVING FAMILIES AND CHILDREN FROM INFANCY THROUGH PRE-K

Dear Friends,

We consider it a great privilege every time families choose the Attleboro Norton YMCA to be their child care partner.

At the Y, we aim to provide more than just great care. Our goal is to support children and their families as they develop and grow.

In addition to providing engaging, age-appropriate learning activities, our child development programs also focus on socialization, physical activity, social-emotional development, and ensuring that each child feels a sense of belonging and achievement to promote self-confidence and overall well-being.

We also know that the best way to develop healthy and happy kids is by doing what we can to support YOU - their families and caregivers. That's why our Child Development Centers offer opportunities for families to socialize and connect with one another. It's also the reason why we encourage caregivers to take some time to focus on their own physical and mental well-being with memberships and fitness opportunities at the Y.

Best regards,

A handwritten signature in cursive script that reads "Elise Reynolds".

The Y's Child Development Center Provides

- Developmentally appropriate and stimulating learning experiences led by certified teachers and assistants
- Daily physical activity in our gymnasiums or outdoor play spaces
- Swim lessons and water safety included with our programs
- Enrichment programming, such as arts, fitness, dance, sports, music, and more
- Convenience of location near the commuter rail, businesses, and the Attleboro Corporate Campus with two centers at our Downtown Branch and Pleasant Street Branch
- The opportunity for families to access care for all of their children from 6 weeks to grade 5 at one location
- Family programming throughout the school year
- Easy access for parents and caregivers to workout and stay healthy
- Discounts on other YMCA programming
- Financial Assistance and Vouchers

BEFORE & AFTER SCHOOL CARE

Ages: K-5

The Attleboro Norton YMCA's child care staff team works hard to provide a safe, encouraging environment that promotes positive self-esteem, life skills, teamwork, leadership, creativity and education support. The children in our care build lasting, positive connections with our staff and with each other.

With active games, crafts, and quiet activities, our Before-School Program allows each child to start their day at their own pace.

Our After-School Program includes homework help, outside play, recreational swim, gym games, crafts, enrichment activities, and more!

The Y's program includes transportation to and from the Attleboro schools. You may also arrange for transportation through the Foxboro Regional Charter School if your child attends there.

Location

Pleasant Street Branch

After-School Times

School Dismissal-6:00 PM

After-School Fees

2 Days: \$25 Per Day

3 Days: \$24 Per Day

4 Days: \$24 Per Day

5 Days: \$23 Per Day (\$115 Weekly)

OUT OF SCHOOL TIMES

No School Weeks

\$315 Weekly (5 Days)

No School Days

\$65 Per Day (1-4 Days)
