FIND YOUR ADVENTURE.
It’s amazing what new discoveries you make when you look up from your screen and experience the world around you! Especially after the school year, kids need a chance to unplug – but not just from technology. Camp also gives kids a mental and emotional break from school and other pressures they experience outside of camp.

FIND YOUR CONFIDENCE.
At camp, we rarely stand still. We want kids to explore it all! Whether it’s hiking through the trails, venturing to new heights on the ropes course, or mastering a new sports skill, we know that trying something new and succeeding boosts our kids’ confidence and helps them look forward to new challenges.

FIND YOUR FRIENDSHIPS.
Now more than ever, it’s critical for our camps to help kids develop positive and engaging relationships. Through values-based lessons and collaborative activities, campers learn to work together and to overcome challenges in proactive, constructive ways. To support our campers’ emotional well-being, our staff work intentionally to help kids connect to each other and to our camp community.

CAMP FINBERG OFFERS

Highly trained staff of professional role models
Our enthusiastic crew of camp staff leads campers in their daily activities. We select our camp staff based on their experience, attitude, skills, and ability to demonstrate the YMCA’s core values of caring, honesty, respect, and responsibility. All of our counselors attend an intensive staff training once they’ve completed our Y’s rigorous screening process, which includes criminal and sexual offender background checks (CORI and SORI).

Curriculum of fun, engaging activities
Each day at camp offers a balance of activities that expose campers to new age-appropriate, challenging, and fun experiences. From active games to group challenges and creative projects, Camp Finberg offers fun-filled days that promote physical activity, creativity, learning, and teamwork in a welcoming atmosphere.

Focus on water safety
At the YMCA, we prioritize water safety all year round. That especially extends to our summer camp program. That’s why swim lessons are included. At our camp, recreational swimming is monitored closely by our lifeguards and program staff, and all swimmers must demonstrate their swimming competency before swimming without flotation assistance or moving into the deeper parts of the pools.

Extended camp days
While our standard camp day is 8:30-4:00pm, we know that working families sometimes require longer days of care. You can choose to extend your child’s camp day by offering Before Care (7:00-8:00am), After Care (4:30-5:30pm), or both! Learn more about our Extended Day programs on page 14.

Before/After Care Fee Schedule
Before Care: $20 Per Week, Y Members/$25 Per Week, Non-Members
After Care: $20 Per Week, Y members/$25 Per Week, Non-Members

OUR CAMP CURRICULUM INCLUDES:

OPENING CEREMONIES: Each morning, we bring the campers together for songs, announcements, and fun traditions to launch the camp day.

SWIM LESSONS: Because water safety is a priority for us at Camp Finberg, every camper participates in swim lessons, designed to help them progress into strong confident swimmers.

SPLASH PAD: As the summer heats up, our campers cool down and have fun on our state-of-the-art splash pad. This area is a special highlight for our younger campers who need assistance when swimming.

RECREATIONAL SWIM: On most days, campers enjoy an opportunity for recreational swimming (outside of swim lessons) and games in the pool. This time is supervised by both our lifeguards and camp counselors.

TEAM BUILDING: Over the course of each week, our camp groups participate in a progressive Team Building curriculum that inspires them to work together through increasingly more difficult team challenges and initiatives. These sessions help make each camper feel like they are an important, contributing member of the group.

ARCHERY: So much more than just bows and arrows! Led in a safe environment for campers 7 and older by a trained instructor, archery encourages kids to slow down, focus, think before they act, and set new goals.

STEM: Through fun, hands-on activities, experiments, our STEM program fosters campers’ natural curiosity about the world.

ROPES CHALLENGE COURSE: Our Ropes Course challenges campers to set goals, conquer fears, and work together as a team to help each camper reach new heights.

ARTS: Our arts program lets each camper explore his or her creativity with new projects, specific to each age group and each week’s camp theme. Our weekly goal is for each camper to try something new, unleash their creativity, and create a project they’re proud to take home and keep as a camp memory.

SPORTS & ACTIVE GAMES: At the Y, we know that physical activity is critical for healthy spirits, minds, and bodies! We introduce campers to a wide variety of active games and sports to ensure that every camper discovers a new game that they love. While many of our campers love to compete, we focus on teamwork and making the game fun so that everyone participates.

HIKES & NATURE: With 80 acres of woodlands and trails to explore, Camp Finberg offers countless opportunities for our staff to lead the campers on guided hikes and for our campers to develop an appreciation and respect for nature.

SPECIAL THEME EVENTS: Each week, our camp staff plans a series of special activities and events around the weekly theme! For a listing of our summer themes, please go to page 14.

CLOSING CEREMONY: At the end of the day, we send everyone home on a positive note, as we bring the entire camp together for some camp songs and final thoughts for the day!

Please note that campers will not participate in every activity each day, but will have an opportunity to sample a variety of activities throughout the week.

POLICIES & PROCEDURES

COVID-19
The Attleboro Norton YMCA and Camp Finberg follow all of the latest requirements and recommendations relative to COVID-19 set by the CDC as well as the state and local Board of Health. For our current policies, please go to attleboroymca.org/programs/camps, click on Health Policies.

MEDICAL FORMS & IMMUNIZATION RECORD
Your child’s registration is not complete until their medical form and immunization record are on file with our Camp Registrar. As per the Board of Health, we must have updated medical forms on file for every camper in our care. Please be sure to send in your child’s form with your registration packet. If registering online, please upload your child’s medical forms to your online account or email them to campadmin@attleboroymca.org.

To take advantage of our Early Bird or Sibling discounts, you must have your child’s complete registration including the medical form turned in by the discount deadline.

CHILD GUIDANCE, ANTI-BULLYING & DISCIPLINE
The goals of our child guidance plan are to minimize opportunities for challenging behavior and to help children develop tools to make good decisions about resolving conflicts and solving problems. We expect all of our children and our staff to demonstrate respect for each other and their environment, so we can ensure the safety and security of all.

We believe that child guidance requires a partnership between the camp staff and our camp families. To that end, we include a thorough Child Guidance, Anti-Bullying & Discipline Policy in our Summer Handbook. For every family in our summer programs, a parent/guardian must sign off that they received the handbook and agree with our policies.

If a child exhibits behaviors that put themselves, other campers, or the staff at risk, we reserve the right to suspend or terminate the child from the program.

PROGRAM CANCELLATION
If you decide to cancel your child’s enrollment for a week of one of our summer programs, you must notify the Camp Registrar at least two weeks in advance. Call (508) 409-0753 or email campadmin@attleboroymca.org to cancel.

No refunds will be made within two weeks prior unless there is a medical reason with a doctor’s note or confirmation of a Covid test.

Please note that your camp deposit is non-refundable.

POTTY TRAINING
Children enrolled in Camp Finberg must be toilet trained before attending camp.

NO CELL PHONES
Because our summer camps and programs focus on disconnecting from technology and connecting with each other, all of our programs have a strict no cell phones policy for both kids and staff during the camp day. If the staff observe kids with phones, the phones will be stored with the administration until the end of the day. If you need to reach your child during the camp day, please call our program contact numbers.

PAYMENT POLICIES

CAMP DEPOSITS
For our basic camp programs, a $100 non-refundable deposit is due at registration for the season. For specialty camps, a $100 per week non-refundable deposit is due at registration. The $100 summer deposit will be applied to your child’s last week of camp. If for some reason you cancel the scheduled last week of camp, the deposit will be applied to an open balance due.

AUTOMATIC BILLING
Unless you are paying in full at registration, all camp balances must be set up with Automatic Billing through your credit card or bank account. All scheduled payments will be drafted two weeks prior to each week of camp.

Please note: If a payment is returned, a $30 fee will be applied to your account. Our business office will then resubmit the payment fee to your bank or credit card for payment.

CAMP BALANCES
All weekly camp balances are required to be paid in full two weeks prior to the week your camper is attending. Any camper with a past-due balance will not be allowed to attend camp until the balance is paid. Any outstanding balances remaining after September 1, 2023, will result in a financial hold on the family’s YMCA account.
